

1. APPLICATION OF CONDITIONS

These conditions ("Trading Terms") govern the rights and obligations of the supplier ("Supplier") of goods and/or services as named on the purchase order ("Purchase Order") and the Watpac entity as named on the Purchase Order ("Purchaser"). The Purchase Order, these Trading Terms and the Technical Requirements (as defined below) are collectively referred to as the "Contract". No document or statement other than the Contract shall form part of the agreement between the Supplier and the Purchaser unless otherwise agreed in writing by the Purchaser. If there is a conflict between the Trading Terms (as varied with the Purchaser's written agreement) and any other document or statement forming part of the Contract, these Trading Terms (as varied) shall prevail. The acceptance by the Supplier of the Purchase Order or the supply of any goods or performance of any works shall be deemed to be acceptance of the terms of the Contract (including these Trading Terms) and shall constitute a binding contract between the Supplier and the Purchaser. The law of Queensland governs this Contract.

2. ELECTRONIC TRANSACTIONS (QUEENSLAND) ACT 2001 (QLD)

The *Electronic Transactions (Queensland) Act 2001* (Qld) applies to the Contract. By accepting the Contract, the Supplier has consented to the provision of these Trading Terms by means of electronic communication.

3. PRICE

The unit prices and values indicated on the Purchase Order for the goods and/or work the subject of the Contract ("Goods" and/or "Work" as the case may be) include, as appropriate, the cost of delivery to the address stated in the Purchase Order and any insurance, duty, taxes (subject to clause 18 in respect of GST) and packing costs and any other costs and expenses associated with manufacturing, delivering and/or supplying the Goods or the Work.

4. DELAYS

If the Supplier fails to make deliveries within the time specified, the Purchaser has the option to terminate this Contract or such part or parts thereof to which there has been delay, without incurring cancellation or any other charges.

5. NON-WAIVER

Failure of the Purchaser to insist upon strict performance of any of the terms of the Contract shall not be deemed a waiver of any subsequent default of them. The shipping or receiving of any Goods or Work under the Contract shall not be deemed a waiver of any rights for any prior failure by the Supplier to comply with any of these Trading Terms.

6. NO ASSIGNMENT

The Contract shall not be assigned by the Supplier in whole or in part without prior written consent of the Purchaser.

7. INFRINGEMENT

The Supplier warrants that the Goods and the Work and the sale or use of them will not infringe any patent or any other intellectual property right, and the Supplier covenants that it will defend, at its own cost and expense, every action which may be brought against the Purchaser or those selling or using the Purchaser's product for any alleged infringement of any patent or breach of any other intellectual property right by reason of the sale or use of such Goods or Work and the Supplier agrees to pay all costs, damages, fines and profits recoverable in any such action.

8. COMPLIANCE

In performing its obligations under this Contract the Supplier agrees to comply with all laws and regulations applying to the Contract, the Goods and the Work.

9. CHANGES

The Purchaser has the right at any time to make changes to the Goods or Work (including quantities ordered or to specifications and drawings). If the Purchaser forwards an amended order changing the Goods or Work and such changes cause an increase or decrease in the amount due then a variation shall be made to allow remuneration on the basis of the unit prices or values stated on the Purchase Order for the Work that has been completed and/or Goods supplied but no cause of action for breach of contract or other right of action shall arise or be instituted by the Supplier as a result of the amended order and the only remedy for the Supplier will be the right to payment of the remuneration referred to in this clause for that part of the order that has been completed. If such changes result in an increase or decrease in the time required for performance a reasonable variation of the time shall be made by the Purchaser. Any claim by the Supplier for adjustment under this provision must be made within two (2) weeks from the date when the change is made.

10. WARRANTY

Notwithstanding the Purchaser's acceptance or right of inspection and/or other terms of the Contract, the Supplier warrants that the Goods, the Work, the materials, workmanship and all other articles furnished under the Contract are free from any encumbrances, free from any defects (including in design), fully comply with any specifications and drawings supplied or referenced in the Purchase Order ("Technical Requirements") and, where not so specified or referenced, are suitable and fit for the use intended and comply with all requirements of law. The Purchaser relies on this warranty by the Supplier in purchasing the Goods and Work covered by the Contract. The Supplier must obtain and provide for the benefit of the Purchaser and the person who engaged the Purchaser ("the Principal") the guarantees and warranties as may be required under the Contract or as are advised by the Purchaser.

11. INSPECTION AND TESTING

The Purchaser, its insurers and the Principal shall be entitled to inspect and test the Goods or Work during manufacture, whether on the Supplier's premises or the premises of any subcontractor, and the Supplier shall attend the inspection and provide any requested assistance to those conducting the inspection and testing. Such inspection and testing shall not release the Supplier from any obligation of the Supplier under the Contract.

12. REJECTION

The Purchaser may at any time, whether before or after delivery, reject any Goods or Work found to be inferior or defective or damaged or not in accordance with the Contract and without limiting the liability of the Supplier, the Purchaser may require, at its option:

(1) a refund of payment by the Supplier within seven (7) days; or

(2) replacement of the Goods or resupply of the Work. Risk in the rejected Goods immediately re-vests in the Supplier once the Purchaser has notified the Supplier of its rejection. The Supplier is liable for all loss or expenses incurred by the Purchaser due to the rejection of the Goods or Work. This condition shall apply notwithstanding that the Goods or Work have been inspected or tested or that the Purchaser has paid for the Goods or Work.

13. CANCELLATION

The Purchaser may by notice in writing to the Supplier cancel the Contract in whole or in part if the Supplier fails to complete supply of the Goods or Work by the date and time specified in the Purchase Order; fails to replace defective Goods or Work in accordance with the Contract; breaches any provision contained in the Contract; becomes insolvent or subject to any kind of external administration, files or has filed against it a petition in bankruptcy, or makes an assignment for the benefit of creditors. Upon such cancellation the Purchaser may cease payment, recover from the Supplier all monies paid for undelivered Goods or uncompleted Work and purchase similar Goods or Work from an alternative supplier. The Supplier must indemnify the Purchaser for any additional cost it may incur in doing so.

14. DELIVERY OF GOODS

Delivery shall occur when the Goods have been delivered in good condition at the address stated in the Purchase Order at a point stipulated by the Purchaser's representative and receipt of the Goods has been given by the Purchaser's representative. All the Goods shall remain at the Supplier's risk until delivery is effected. Title to the Goods passes to the Purchaser on delivery unless payment has been made prior to delivery in which case title to the Goods passes upon payment.

15. WORK ON PURCHASER'S PREMISES

If any Work is to be performed at the Purchaser's or Principal's premises, then the Supplier must comply with all applicable laws and requirements of the Purchaser in the performance of the Work.

16. INSURANCE

Unless the Purchaser has provided evidence in writing to the Supplier of insurance cover for:

- (1) damage to vehicles, plant and equipment of the Supplier used or supplied under the Contract, including liability cover for property damage and death or bodily injury ("Plant and Equipment Insurance");
- (2) liability at common law in accordance with statutory requirements for the Supplier's employees ("Worker's Compensation Insurance"); or
- (3) the Supplier's liability to third parties for loss or damage to property (including any indirect or consequential loss) and death of or injury to any person ("Public Liability Insurance"), the Supplier shall have in place its own Plant and Equipment Insurance, Worker's Compensation Insurance and Public Liability Insurance. If requested by the Purchaser, the Supplier shall produce evidence of the currency of the Supplier's Worker's Compensation, Public Liability and Plant and Equipment Insurance policies.

17. TERMS OF PAYMENT

In this clause 17 and in clause 25, "business day" has the meaning given to that term in the *Building and Construction Industry Payments Act 2004* (Qld). The Supplier may issue a payment claim on the 25th day (or a day otherwise agreed) of each calendar month in a form acceptable to the Purchaser. Within 10 business days of receipt of a valid payment claim, the Purchaser may issue to the Supplier a payment schedule setting out the amount payable by the Purchaser to the Supplier (subject to set off of any moneys due from the Supplier to the Purchaser). Within 3 business days of receiving the payment schedule the Supplier must provide the Purchaser with a tax invoice for the amount stated in the payment schedule. If no payment schedule is issued, the Supplier must provide the Purchaser with a tax invoice for the amount claimed in the Supplier's payment claim within 13 business days of the issue of the payment claim. Unless otherwise specified, the Purchaser shall pay the Supplier the amount stated in the payment schedule, or (if no payment schedule is issued) the amount claimed in the Supplier's payment claim, within thirty (30) days after the end of the calendar month in which the Supplier's payment claim for the Goods or Work is received by the Purchaser provided that all other terms of the Contract have been observed.

18. GST

Unless this Contract provides otherwise, and subject to this clause, any consideration that may be provided for under the Contract is exclusive of GST. If a party makes a taxable supply in connection with this Contract for a consideration which represents its value, then the recipient of the taxable supply must also pay, at the same time and in the same manner as the value is otherwise payable, the amount of any GST payable in respect of the taxable supply subject to the provision to the recipient of a valid tax invoice.

19. PRICE VARIATION

Unless stated in the body of the Purchase Order the cost of the Goods or Work shall be fixed and not subject to escalation.

20. HEALTH AND SAFETY

The Supplier must ensure that the Goods and Work are supplied and performed in accordance with, and otherwise comply with, safe practices applicable in the relevant industry and all applicable laws, including, without

limitation, the provisions of the *Work Health and Safety Act 2011* (Qld) and any regulations and/or codes of practice prescribed thereunder.
